# CHARMING MUSICAL EVENING GIVEN COMPLIMENTARY TO VISITING BRIDE

# RS. J. G. BARADA was hostess at a charming musical Tuesday afternoon at her home, 1121 Arizona street, complimenting Mrs. Charles Craig Belk, of Houston, Texan, who is spending her honeymoon here. The rooms of Mrs. Barada's home were thrown into one, making a cosy auditorium. A large vase of red and white carnations was in the reception hall. The other rooms were invising decorated with a color plan of pink and violet, carried out in fragrant violets and ceell Brunner roses. These in French crystal baskets tied with violet and pink talle bows, were everywhere through the rooms. Do this tenight, and by morning most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy, every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

If you want to preserve your hair, do by all means get rid of dandruff, for nothing destroys the hair more quickly. It not only starves the hair and makes it fall out, but it makes it stringy, straggly, dull, dry, brittle and lifeless, and everyone notices it. You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work—Advertisement.

#### THE SECRET OF SUCCESS

Genuine Nerit Required to Win the People's Confidence

Have you ever stopped to reason why it is that so many products that are extensively advertised, all at once drop out of sight and are soon forgotten? The reason is plain—the article did not fulfil the promises of the manufacturer. This applies more tarticularly to a medicine. A medicinal preparation that has real curative value almost sells itself, as like an endless chain system the remedy is recommended by those who have been benefited, to those who have been benefited, to those who are in need of it.

A prominent druggist says "Take for example Dr. Kilmer's Swamp-Root, a preparation I have sold for many years and never hesitate to recommend, for in almost every case it shows excellent results, as many of my customers testify. No other kidney remedy that I know of has so large a sale."

# How Hair Can Be Forced to Grow Luxuriantly And Other Beauty

The Most Captivating Actress on the American Stage and Most Famous Self-Made Beauty, Reveals More of Her Own Beauty Secrets, By Miss Valeska Suratt

HERE is a world of difference between a hair tonic and a hair grower, and there are many hair tonics sold as hair growers simply because it has been generally assumed that to tone up the hair routs feases them to renswed growth. But this result is very measure and as a rule disappointing.

appointing.

I want to give you here the formula for a real hair grower, and you will know by actual, visible results that you have at last in you possession a most wonderful article. This formula produces a very pronounced effect upon the entire cell-life of the hair from root to the lift forces hair to grow. You will notice a startling difference in the fast increasing length of your hair, in the unusual thickness of its growth, and in the new vigorous hairs growing in the thin spots. I would not give up this hair-grower for all the

hair tonles in the world. There is no hair tonics in the world. There is no long waiting, month in and month out, for results. The growth becomes glorious, and your ambition is sated far beyond your expectations. You will find, too, that your hair will very soon stop falling.

Mix one-half plat each of water and should for take one will beyond.

Mix one-half pint each of water and alcohol (or take one pint imported bay rum if you wish) and add one ounce of beta-quinol. It is then ready to use. The beta-quinol costs no more than fifty cents at the drag store. This should be used liberally every day or so. It contains no oil, and is a delight to use.

000 MISS SUPER.—To remove hair between the eyebrows, on the upper lip, in fact on any part of the face, arms, shoulders or other part of the body, the best thing is to apply some simple sulfo solution. This has the effect of dissaiving away the hair harmlessly, instead of burning it off and leaving a red spot or mark, as do the superfluous hair removers commonly advertised. The simple sulfo salution can be obtained at any drug store for one dellur. This can be used even on the tenderest skin without the least tritation or danger, and it never falls. tation or danger, and it never falls.

Miss T. F. G.—Whatever we want in this world we want quick. This applies, too, in the desire for a beautiful complexion. The weak, low-powered face creams that are widely known require many months to produce even a partial desired result. Why not use a mixture you make yourself, that is far more economical, and that gives results in a fraction of the time? The following formula will give a complexion of exquisite purity, and every blemish, freckle, spot, and all muddiness, will quickly vanish:

Mix two tablespoonfuls of glycerine and one ounce of zintone in a pint of hot water. It will form a cream. When cool it is ready to use. The zintone will cost no more than fifty cents at the drug store. MISS T. F. G .- Whatever we want at the drug store,

444 MRS. OLDISH—A very remarkable return to youthful appearance is produced by a cream made up as follows: To half a pint of hot water, add two ounces of eptol and two tablespoonfuls of glycerine. This forms a cream, when cool and province against a warr day. When cool, apply regularly, every day, generously. The eptol will cost not more than fifty cents at any drug store. This cream removes light and deep wrinkles, lines of worry, habit and age, and works fast. No woman should be without it.

000 MRS. T. A. M.—No one can positively assure you that the bust can be developed. However, there is only one thing to use, and if anything can do it in your case, this certainly can do it. Anything mechanical is liable to cause injury. This formula is safe. Mix half a cup of sugar, two ounces of ruetone and a half pint of hot water. Of this take two teaspoonfuls after meals and at bed time. The ruetone you can obtain for one dollar at any you can obtain for one dollar at any drug store.

000 ALL OVER-You have wasted a year's time. You can get rid of black-heads in a few minutes. This sounds remarkable, but try it and you will find it true.

Get neroxin at any drug store for not more than fifty cents, and sprinkle some of it on a sponge, made wet with hot water, then rub it on the black-heads, large and small. You will be surprised how effective this is.

000 MISS IMPATIENT—There is no cream known that will remove pimples. A blood cleanser, not merely a blood tonic, is necessary. Nothing can surpass the following for results, and it is perfectly safe. Dissolve twelve ounces of sugar and one ounce of sarsene in half a pint of water. One or two teaspoonfuls of this should be taken after meals. This is very economical and never falls.

000 MRS. S. R. H.—For the shampon dissolve one teaspoonful of eggel in haif

a cup of hot water. You can get, for
twenty-five cents at any drug store,
tenugh eggel to last you for at least a
dozen shampoos. This eggel shampoo
has wonderful cleansing properties,
and far exceeds even the best soap, or
any other article for the purpose I
ever used. It leaves the hair, too, easy
to do up and glossy.—Advertisement.
